Further to your response to the consultation on the proposed submission version of the EWCAAP earlier this year, I am writing to inform you that on the 23 July 2014, the Council submitted the plan to the Planning Inspectorate under Regulation 22 of The Town and Country Planning (Local Planning) (England) Regulations 2012. The date of the examination will be set by the appointed Planning Inspector, Beverley Doward BSc BTP MRTPI. Further details on the process going forward will be posted on our website when available;

An independent Programme Officer, Helen Wilson, has been appointed to manage the administrative requirements on behalf of the appointed Inspector. If the Inspector has any queries regarding your submission or would like to invite you to take part in the proceedings (where you have expressly said in your submission you wish to do so) you will be contacted by the Programme Officer in due course

All submitted material is available through our website, including contact details for the Programme Officer. Hard copies of the submission EWCAAP, Sustainability Appraisal, Policies Map, and Consultation Statement will be available from 28 July 2014 to 12 September 2014 at the deposit points and times on the attached schedule.

Each deposit point will have a CD available containing all the documents submitted to the Planning Inspectorate, including all the submitted representations. Hard copies of these documents will be made available at the Civic Offices, Elstree Way.

Representations from individuals have been redacted, removing name, address, contact details and signatures. Your representation can be identified as REP
